

North Devon Business Park

introduction

North Devon Business Park offers a unique opportunity for business occupiers within the manufacturing, logistics, leisure and office sectors.

North Devon Business Park extends 8.22 hectares (20.30 acres) and is set within a pleasant environment close to the Royal Marines base at Chivenor.

The developer, St Francis Group, is passionate about creating a high quality business environment, which meets modern business requirements.

The development includes a new Park & Ride, which will provide access into Barnstaple town centre.

Forward-thinking businesses are invited to join nearby occupiers such as **Perrigo UK**, **Travis Perkins** and **Hobart Manufacturing** who have already committed to the locality.

opportunity

The site already benefits from planning consent permitting manufacturing, general industrial, offices, warehousing and distribution uses under Classes B1, B2 and B8 of the Use Classes Order 1987.

In addition, there is provision for a 400 sq m multi-purpose hub building comprising retail and leisure uses.

The business park comprises three main opportunities:

- **Freehold or Leasehold design and build packages** to suit specific occupier requirements for a range of building sizes from 465sqm (5,000sq ft) to 7,432sqm (80,000sq ft)
- **Serviced plots** for self-build or speculative development
- **Floor space** within the Hub building.

St Francis Group

St Francis Group is an established family business whose Directors have a proven track record of delivering all aspects of site management and development.

With properties and projects throughout the UK it is a well-financed business able to fund projects through its own resources.

St Francis Group offers the development expertise required to deliver bespoke buildings that are designed to meet the exact needs of occupiers. Whatever your requirements, our design team will work with you every step of the way.
